

The Amazing Brain-Memory  
Part Five  
February 25, 2015

1. **Watch** the YouTube video:
  - **Information Processing Model: Sensory, Working and Long Term Memory**
  - <https://www.youtube.com/watch?v=uxr29NWQxEA>
  
2. **Read** about the brain and memory:
  - Go to **The Brain from Top to Bottom** website and click on intermediate. Then click on the box for memory and the brain.
  - <http://thebrain.mcgill.ca/index.php>
  
3. **Complete** the worksheet
  
4. **Go** to the Brain Connection Website:
  - <http://brainconnection.brainhq.com/>
  - Go to the tab: Brain Teasers and Brain Games and challenge your memory ability with: the
    - ✓ Word List Recall game
    - ✓ Farmers Memory Challenge

**For more information read:**

- How We Remember, and Why We Forget
- The Neurological Scratchpad: Looking Into Working Memory

**For further memory challenges check out the following website:**

- [http://www.exploratorium.edu/memory/dont\\_forget/playing\\_games.html](http://www.exploratorium.edu/memory/dont_forget/playing_games.html)

Our next meeting is March 4<sup>th</sup>, 2015  
We will finish our Unit on "The Amazing Brain"
