**Students: If you ride a scooter or bike to school, please remember that you must WALK it off campus at the end of the day. Thank you!**

**Again, just a reminder to all students that if you need to use the phone, pick up lunch, talk to the nurse etc. please come into the office alone. Do not bring all of your friends with you. It's a small area and gets very loud when there are parents and students in there at break and lunch. Please be respectful that the staff are either talking to parents, on the phone helping someone or working on a project. Thank you**

**We've had a number of kids calling or texting parents from places other than the nurse's office. Just a reminder again that if you are not feeling well please come to the nurse's office to call home. It's the rule and it's for your safety. Please don't text or call from the bathrooms, in classrooms, behind trees etc. Nurse Elliott and Miss Shannon are here to help you.**
