Thank you so much for your generous donation. It is vital to our fundraising to have a successful snack bar for our 4 home games. Please note that the above count/sizes were purchased at Smart & Final, and Costco or Sam's Club, and are just a guide. If you are able to find the same items cheaper at other stores in smaller count sizes, by all means, we will take those as well! We just ask that the individual package size stay the same. It is very difficult to have multiple sizes of the same items in the snack bar and keep the pricing consistent. I.E. (we have regular size Snickers for \$1 -having King Size, Snack Size, and Mini size makes it more difficult to organize). Once again, thank you so much for your valued support of Chieftain Football. It is extremely appreciated by everyone in our program! GO CLARK!
