

OUR VISION

The Clovis High Area Counseling Team will empower all students to reach their maximum potential by using a comprehensive program that addresses academic, personal/social, and career goals. We will promote an environment that encourages personal inquiry and growth, social responsibility, and academic excellence. We believe that every student is capable of becoming a productive citizen with the help of a solid support system and with access to ample opportunities for individual growth and development.

SCHOOL COUNSELING CLARK INTERMEDIATE

ACADEMIC

Students can see their school counselor for academic advising and goal setting. Academic struggles often coincided with many other challenges occurring within a students life.

COLLEGE & CAREER

School Counselors provide college and career advising and encourage students to pursue their passion and give them opportunities to access options for their future.

SOCIAL & EMOTIONAL

Middle School is a challenging time for many students. School Counselors provide social/emotional support through brief solution based counseling and are equipped to make referrals to appropriate resources.
