

CLARK INTERMEDIATE SCHOOL COUNSELING

What services and interventions do we provide?

EVERY DAY AND IN EVERY WAY YOU DO GET BETTER AND BETTER

COLLABORATE

We believe that student success is a collaborative effort and we as school counselors help provide connections between students, teachers/staff, parents, and resources available to assist students in their success.

ADVOCATE

School counselors play a huge role in advocating for students each and everyday in many ways. The counseling office provides a safe place for students to share their challenges and work together through road blocks.

ACADEMICS

Students can see their school counselor for academic advising and goal setting. Academic struggles often coincided with many other challenges occurring within a students life.

SOCIAL/EMOTIONAL

Middle School is a challenging time for many students. School Counselors provide social/emotional support through brief solution based counseling and are equipped to make referrals to appropriate resources.

COLLEGE & CAREER

School Counselors provide college and career advising and encourage students to pursue their passion and give them opportunities to access options for their future.
